SWE Workshop

Back End Module
Week 1

Agenda

Icebreaker (10 minutes)

Demo Lesson (20 minutes)

Breakout (40 minutes)

Daily Review (20 minutes)

multiverse

Icebreaker

Which song could you listen to over and over again?

multiverse

Daily Objectives

Today's Objectives

What are we doing today, and why should we care?

By the end of today, we should be able to:

- Understand what RESTful means
- Write a RESTful API route handler
- Use Query Strings in a route handler

multiverse

Demo

To Be Continued in the Editor...

multiverse

Breakout Rooms

Breakout Rooms

We have 40 minutes!

Jump in with your partner, and work on the exercises!
While working on the problem, remember:

- Discuss the problem, come up with a solution **together**
- Collaborate on the project.
- Switch **Driver** 🏎️ and **Navigator** 🚗 halfway through

multiverse

Daily Review

Daily Review

We have 20 minutes!

Let's Vote: Which portions of the workshop would we like to review together?

multiverse

Thank you
